About HADSA

The Health Foods and Dietary Supplements Association (HADSA) is a national, not-for-profit association committed to the growth and development of the nutraceutical industry in India. HADSA works closely with stakeholders to promote regulatory compliance, scientific excellence and global competitiveness, while representing industry interests before policymakers and regulators.

HADSA is a member of the International Alliance for Dietary Supplements Associations (IADSA). IADSA has developed into an alliance of more than 60 dietary supplement associations spread over 6 continents and based in the UK.

About the Summit

The Global NutraConnect Summit 2026 is a premier networking platform bringing together key stakeholders from across the nutraceutical, health foods, dietary supplements, ingredients, functional foods, allied sectors, Specialize and clinical nutrition. With the theme **'Unveiling the Growth Story'**, the summit aims to explore emerging trends, policy frameworks, innovation pathways, and global market opportunities shaping the future of the nutraceutical industry. The conference will foster meaningful dialogue between industry, regulators, researchers, and solution providers to enable sustainable and responsible growth.

Summit Objectives

- To brainstorm global and Indian nutraceutical market growth drivers
- To discuss regulatory harmonisation and compliance readiness
- To highlight innovation, science, and technology as growth enablers
- To encourage collaboration across the nutraceutical value chain
- To support India's vision of becoming a global nutraceutical hub
